The school improvement plan is in place.</p> <p>Mr. Uhrig also discussed the addition of the 6th grade to our school. Vesey will have 4 core classes: Reading, Math, Social Studies, and Science. We will also have Band/Orchestra as an elective. Mr. Uhrig will be sending out a survey to parents to help decide what the other electives will be some options are the following: Language, OMA, AVID, Core Enrichment, or Honors Track. If any parent wants to privately email Mr. Uhrig on what electives, you would like to see as a 6th grade class. In January, Mr. Uhrig meets with the 6th grade planning committee to determine furniture/enrollment etc. There will be a minimum of four classrooms. M & O and Title One are currently the only budgets available to Vesey.</p> <p>The old computer lab will be turned into a multisensory/step down room.
