PRINCIPALS NOTES

Vesey Families,

As we wrap up the first semester, I am proud to announce that we are staying a letter B school. As we move forward into the second semester, please remember the importance of coming to school on time and plan all events/doctor's appointment for after the school bell. Parents, please read to or with your child/children every night. Spend time using math in your daily environment to help your student see why math is so important. Cooking is the easiest way for children to apply what they are learning in the classroom at home. Looking forward to second semester, we have some great events planned; Math and Science night, Love of Reading week, and AASA prep rally.

Your Proud Principal,

Mr. Uhrig
