DISCUSSION NOTES	Call to the audience
CONCLUSIONS	Ms. Boyd questioned if our school always had a letter grade of D, and we stated that we had not always had that letter grade. While waiting for Mr. Bermudez to arrive, Mrs. Ball informed the council that Ms. Joyce had stepped down as Site Council Facilitator and told them Mr. Rodriguez was now the Facilitator and she was his co-Facilitator.

IV. Reports

REPORTS TO REVIEW	Principal's Report Given by Marco Bermudez (Assistant Principal)
DISCUSSION	Principal's report - Given by M. Bermudez We are fully staffed for next year except for a Dean of Students position. We will have a Dean of students next year since Mr.

	<p>Bermudez is the only one handling discipline for the entire school. A Dean position will be added so that Vesey can be more proactive with behavior issues and a Dean would also give SEL support, such as checking in with students and checking out with students.</p> <p>Parent members of the Council asked if could reach out to the Dean we had currently, and Mr. Bermudez mentioned the position hadn't been advertised yet. Parent members of the council informed everyone that Alexis Clark was listed on the Vesey website as being the Dean, and the staff members of the Council let the parents know that such a posting was a mistake.</p> <p>Enrollment at Vesey is about the same for next year, though we cannot be sure until the first week of school. We have nearly 700 students.</p> <p>We had our third Title One Walk-through, and overall, our school had better performance.</p> <p>Mr. Bermudez mentioned that Vesey would not be hosting Summer School this summer for TUSD. He mentioned that we would be hosting a 21st Century program. This met with considerable confusion and he explained that the program we have is not a "Summer School" program, but grant-funded. Parents questioned how enrollment would be chosen for that program. Nicole Ball stated that enrollment was invite only by the District, according to their criteria, and that teachers had no say in who would get chosen to come to the program.</p>

VI. Discussion/information items

ITEM TITLE	Kinder Promotion
DISCUSSION NOTES	Mrs. Ball discussed updates to the Kinder Promotion event, that district wanted a traditional-style promotion event to be held in the Multipurpose Room (MPR). The event will no longer be parade-style, and it will be held Tuesday, May 19. Parent members questioned who made these changes to the event and Mrs. Ball said that these were mandates from the district-level, above Mr. Uhrig. The event will be 30 minutes long and might be the pledge, the Vesey Pledge, a song, and certificate presentation. There will be no caps and gowns.
RESOLUTION	

ITEM TITLE	Revision of Vesey Elementary Site Council By Laws Revision
DISCUSSION NOTES	<p>Mrs. Ball requested a separate meeting to discuss revising the Council Bylaws since it was already 9 am. She suggested a meeting in the late afternoon, and most council members preferred the meeting to be held on a Wednesday. Mr. Bermudez mentioned we should make a separate committee to make the by law changes, and Nicole Ball stated that the Council had already decided not to have a separate committee, and to just have all Council members be involved. He then reminded the group there would need to be a quorum at the evening meeting for the meeting to be valid.</p> <p>April 22, 2026 was chosen as the date for the afternoon meeting, which will start at 3:30 pm. Parents and staff members wanted food at the meeting and it will be held in Nicole Ball's (Room 22) room in the K-1 Building. Hector Rodriguez' (Room 11) room in the main building will be the backup location.</p>
