IV. Reports

REPORTS TO REVIEW	Letter Grade and AES
DISCUSSION	Mr. Uhrig reported that Vesey is predicted to lower one letter grade, which would bring the school to a D letter grade. Having 6 th grade for the first year contributed to that lowering of score. Many things are in place to improve this grade. AES(Associates for Educational Success) have been hired to work with 3 rd -6 th grade math teachers. They currently work in 17 other TUSD schools. Their purpose is to increase academic achievement for schools in math. They will be working with teachers in the classroom as well as holding Professional Development. Fall Festival and Literacy Night will be held on October 30 th .
