Notes:

- 100 Day Celebration: Upcoming, on Jan 24th—Celebration ideas:
 - **Basketball 4th & 5th grade -- they could shoot hoops until we get 100 balls in. Possibly 4th against 5th. We would need someone to keep score.
 - Jump Rope to 100 without messing up. We would need someone to keep score.
 - We can get butcher paper and create a 100! Open to fill in with cut out handprints. We will then fill them in to represent our 100 students. Butcher paper, scissors, markers, crayons.
 - Have each student create a tshirt representing the 100 day mark. Each student needs a t shirt.
 - Morning in class: 100 minutes of Imagine Learning/Math/Reading
- Undecided on our way of celebrating yet, but thought up some good ideas!
