IV. Reports

REPORTS TO REVIEW	Principal's Report/Attendance Committee
DISCUSSION	Principal- Opening has been smooth, not a lot of disruption, very minor incidents with behavior, students doing a great job. Students are wearing masks without issues. Reinforcing social distancing, issue with the heat, and lack of water. Email to all staff to send out water bottles at lunch/recess. Emergency water station set up outside if water bottle is forgotten. Hiring of new

	<p>employees- reading interventionist, teachers assistant, technology liaison, -- open 4th grade ELA. Snack program is standing out, things are going well. Budget it doing well, staffing is in a good position. Looking to finish the year on positive note. Waiting on district to plan promotions. Summer School 2- 21st century June 2- 30th , and Jumpstart (k-1) July 19th-30th incoming kindergarten and current kindergarteners looking for coordinator still.</p> <p>Attendance Committee- continuing outreach and home visits at least 4-5 students who are being looked at closely. Incentives for class wide attendance (90% attendance spells out Here and Ready) Building relationships with parents to get students to attend regularly. Re-assessing who needs support now that in-person has restarted. Native American specialist helping with those students.</p> <p>AZ-Merit- Testing has started and going smoothly no issues so far. Hardest part is remote students' laptops since it is a daily unknown.</p>
